

2019 WORLD
Guernsey Conference Sale
Ayars Guernsey Dispersal

June 3, 2019

at the
Ayars Event Center
4381 Rosedale Rd
Mechanicsburg, OH

Welcome,

As has been our history, we are once again welcoming visitors to our farm with a sale included as a highlight. It is an added pleasure to have everyone here for the World Guernsey Conference tour.

However, this sale is different from all the rest! We are making some changes, but we are not ending our long relationship with the Guernsey cow and all the folks that are a part of this breed.

Our family has shared some wonderful memories and stories with the golden cow. Those of you reading this may remember many of these and how they were shared on the inside pages of the Journal. Good byes are not necessary as we will still be around when and wherever Guernseys are the focus. ~ John & Bonnie

The Ayars Family are offering a 10% discount off the purchase price of any of their animals sold in the sale and purchased by an American Guernsey Association Junior member. AGA Program Manager Robin Alden will be available at the sale to sign up any new junior members! Due to the change in ownership date by the AGA Board of Directors to August 1 - ANY junior purchased animal is eligible to show in an AGA recognized state or national show!

TERMS & CONDITIONS OF SALE

TERMS: Terms are cash or check on sale day payable to Ayars Family Farm in U.S. funds unless other arrangements are made PRIOR to the beginning of the sale with management. All payments are to be made to the clerk of the sale and animals will be released once settlement has been made. The sale will be available online for viewing and for pre-registered bidders at www.breedersworld.com.

BIDS: The highest bidder shall be the buyer. In case of a dispute the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. By-bidding is prohibited. Seller reserves the right to be a member of a buying partnership or syndicate.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale management. Any special terms of payment must be cleared with the sale's management prior to the sale. Embryo lots have been designated which are eligible for export and if not specifically listed, buyer assumes all responsibility for health tests required by the importing country.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are the consignor's risk prior to selling in the event of fire or other mishap. Embryos sold shall immediately become the buyer's property and risk as soon as struck off. Shipping assistance will be the responsibility of the buyer and assistance given, however, no risk on loss is assumed by the sale's manager.

TRANSFER OF OWNERSHIP: For all registered animals, the transfer of ownership to the buyer will be recorded on the records of the American Guernsey Association and a certificate of registration showing that transfer will be provided to the buyer free of charge.

WARRANTY: All animals sold are believed to be straight and right unless otherwise noted in this catalog or by announcement from the auctioneer's stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is. Examination of all purchases should be made immediately after the purchase, before the close of the sale, and if found not to be as represented when sold, such complaint should be reported to the management at once. If no such complaint is registered, it is assumed the buyer has accepted the animal as warranted when sold. The seller guarantees to the purchaser a clear and sole title to the animal purchased. Heifers that have not yet calved are in no way guaranteed following calving. No guarantees are made concerning freedom from hardware or disease. *Exception: Any animal born on Ayars Family Farms over six months of age at sale time is guaranteed a lifetime Johnes warranty.*

BREEDING: Females open or bred to the best of the seller's knowledge and belief are breeders, and all females bred, to the best of the seller's knowledge and belief, are pregnant. However, no breeding dates or pregnancy can be guaranteed unless so announced at time of sale. *Addition: Any discrepancies on pregnancies on Ayars Family Dispersal animals will be dealt with immediately upon contact to the Ayars Family.*

ALL SALES FINAL: Having taken every reasonable precaution to fairly represent the health, breeding and physical condition of each animal, no further guarantee or retest privileges and all sales shall be considered final.

HEALTH CERTIFICATES: Official health certification will be provided to the purchaser of each animal. Buyers from out of the state of Ohio will need to make arrangements with sale management for any interstate requirements that need met prior to leaving the grounds at the seller's expense. All consignment animals from outside of the state of Ohio have been tested for TB & Brucellosis. Additional testing if available for animals will be available on the updates sheet and announced from the auctioneer's stand at the time of the sale.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS & RESPONSIBILITY: The sale manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of personal accident or property loss. The consignor will represent and be responsible for their animal. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animal. Land of Living Farm, sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.
